## 2025-26 Registration Information

### **TIME SENSITIVE**

#### **PUBLIC SCHOOL BUS TRANSPORTATION**

The following public school districts currently provide yellow bus service to and from St. John's Jesuit:

- Anthony Wayne
- Maumee
- Perrysburg
- Springfield
- Sylvania

It is the responsibility of Titan's family to go to the website of their public school district and submit an online registration form for nonpublic busing service for the 2025-26 school year. St. John's Jesuit cannot submit this information on behalf of a student. **[The deadline to register for the coming school year for most districts is the end of May.](#)**

Even if your son will only use the bus on occasion, we strongly encourage families to register for both AM and PM routes. Nonpublic bus transportation is never guaranteed from any school district, and the number of SJJ students registered and riding truly matters.

#### **THE SJJ YELLOW BUS**

Currently, SJJ bus routes include Findlay/Bowling Green, Oregon, and the Toledo Public School District. Rider Request Forms are found in the SJJ School App and must be submitted **by July 2, 2025**. If you reside in the Sylvania, Maumee, Perrysburg, or Anthony Wayne public school districts, please check your public school district website for route information.

**Routes are all open to change and the pickup/drop off times will change and adjust in the first month of school. For more information, contact Ron Parton at [rparton@sjtitans.org](mailto:rparton@sjtitans.org).**
