Mission Statement

St. John's Jesuit develops Christian leaders. As a Catholic school in the Jesuit tradition, we inspire each student to achieve his greatest potential in a diverse, Christ-centered atmosphere distinguished by academic success and service as a man for others.

ST. JOHN'S JESUIT HIGH SCHOOL WAS FOUNDED IN 1868 and re-established in 1965 as a four-year, college preparatory high school for young men. In 2004, St. John's Jesuit established the Academy for seventh and eighth grade students, and in 2011, a sixth grade was added to the Academy. The school currently has an enrollment of 730 students, with 546 students attending the High School and 184 attending the Academy. Our students come from all socioeconomic backgrounds. Our student body is diverse, including 14% African American, 8% Asian, 3% Hispanic, and 9% multi-racial. St. John's Jesuit is a Catholic school; however, religious diversity is also present.

The Class of 2025

The Class of 2025 has 129 students. Acceptance to St. John's Jesuit is based upon criteria that includes admission placement test results, elementary and junior high school academic performance, and the recommendations of elementary and junior high teachers, counselors and principals.

The Magis Society

The Magis Society is a selective program designed to invoke students' interest, passions, and talents. It begins with a rigorous application process before the freshman year and provides a four year framework consisting of curricular and enrichment experiences. A student's career in the Magis Society culminates in a personal Capstone Project which involves a tangible experience, a dissertation, a presentation, and an oral defense.

SJJ Faculty

St. John's Jesuit High School & Academy has 51 faculty and administrative members who hold 3 doctorate degrees, 24 Master's degrees, and 24 Bachelor's degrees. The student to faculty/administrative ratio is 1:14.

Grade Point Average

A student's GPA is calculated based upon all courses taken in high school, excluding physical education and the ACT prep course. The academic year is comprised of two semesters.

- Students are admitted selectively.
- Students are not ranked.
- Advanced Placement and Honors courses require teacher approval based on stringent requirements and are weighted (AP = 1.0 Honors = .5 with a C or better).
- Approximately 95% of all St. John's Jesuit graduates continue their secondary education at colleges and universities.
- St. John's Jesuit does not report disciplinary history on either the transcript, or on the Secondary School Report.
